*My name is Lisa Reynolds and I am a dating consultant who is in the field since over 10 years. I am a Ph.D in Psychology and a Certified Behavioral Analyst.*

*I too was in a miserable state once when I broke up with my boyfriend but patched up using my knowledge and patience. I did not lose hope and want you to do the same.*

*In my e-book I have written everything about how you can get the love of your life. I believe that Love is a beautiful emotion and a great gif of GOD. It is an inexplicable feeling and only those in love know what I mean when I say this.*

*I want all those in love to be in Love forever. It is not necessary to lose your Love to benefit from my E-book. If you are in Love, still you can buy my e-book to avoid a breakup and knowing everything before any such UGLY situation comes in your life.*

This e-book will work like magic and will help you make your love realize that you are the one for him.

**SELF PITY WON'T WORK!**

**Anything you set your mind to achieve, you shall receive.**

**Take ACTION If You Want Him BACK...BUT HOW???**

You will get all answers in my e-book SEDUCE HIM BACK. Thousands have benefited from it and are leading a blissful life filled with Love, Love and only Love.

You love him. There is no doubt about it. But love may not always help you to get your ex back. **This calls for ACTION!!!**

There are three elementary factors that you need to incorporate to make a relationship work. They are:

1. Rationalizing
2. Analyzing
3. Investigating

Girls it is time to give up the solitary love-saga of unhappy endings. Times have changed and so must you. What you need to do here is understand and rationalize the situation. Think about how to implement the methods suggested here. Analyze the factors that resulted in the breakup. What were they really about? With my experience and qualification, I know how to handle even the worst of the situation.

Get the much required expertise to win your love back. Investigate yourself rather than investigating his love life. If you have the confidence then there is no way that he can stay away from. You will need some investigation here to get good information that can help you in reuniting with your ex.

It is sad but true. Most women do lose the love of their life over silly fights. Don't be one of them. Depression is for the weak-hearted. You have to evolve beyond the boundaries of sadness and get your love life back on track. If you really thought that there was no chance, YOU WOULD NOT HAVE BEEN READING THIS PAGE!

*There is a unique process that will help you patch things up with your ex.*

Those who have just broken up with their partners, but then miss them are desperate to get back. Now don't think that you are the only one in this world who thinks that heartaches are not easy. There are millions like you who feel terrible heartache. Don't waste time getting disheartened. Here is the approach to follow-

- Let's be friends: You may be surprised but this one does work. Show your confidence. Don't let him think that you will be mopping over him.
- Patience: Don't let him think that you are desperate to get back to him. Wait for the right time and the right move. This task has to be handled with extreme patience.
- Asking your ex out: All of these have to be handled with a lot of care. Remember that you don't want them to think that you are dying to get back. Show your confidence

Apart from merely being attractive or seductive this e-book will help you develop your overall personality. There may be times when he wanted to talk but you were never there to listen. Analyzing these factors will help you come up with a list that you need to work upon. So try and be a good listener for a change. Here are a few other factors that you need to remember-

- ✓ Get into the habit of asking questions
- ✓ Develop genuine warmth, empathy and caring towards others
- ✓ Observe and Learn

- ✓ Practice
- ✓ Start from Knowledge, Awareness and Acceptance of Self

Before you make these attempts to get your ex-boyfriend back, the e-book encourages you to think and understand what went wrong. Try and get a friendly chat with them at least once. This way you can gain information about what went wrong. There are a lot of questions that have to be answered if you want your ex back and make this relationship work. These include-

- What went wrong?
- What was the root of all problems we faced?
- Was the problem with you or your ex-boyfriend?
- If the problem lies with you:
  - What can you do about it?
  - Do you have any traits that seem to have caused the problem?
  - If yes, will there be a need for some behavioral modification?
  - What are some immediate steps you can take right now to bail yourself out?
  -

There are lots of changes that you have to improvise on. These include your behavior, tendencies and actions. Remember that most of the guys out there won't say it, but they would rather love to "do" this or "show" regular alterations of behavior. This can actually be rather revealing. Try and make sure that you get some of your ex-boyfriend's body-language. Follow their patterns of actions and speech to that can help you get an edge in winning them back. For instance,

- How does he sit?
- How confident is he when he is with you?
- Do you notice any patterns in his behavior?

- Is he calling you too often?
- Do they share intimate details or his present relationship or reminisce about the best moments you've had together?

These are some vital questions that most women tend to overlook. But when you actually pay a little attention to them you can retain your love for life. This e-book helps you to understand the smaller issues in life, which can make your love life, go WOW!! So, just follow these simple and effective steps and see the miraculous changes once you get your love back.

Do not LOSE HOPE!

*Keep focusing on the fact of how to get your ex back and do not deviate!! Be patient!*

It is essential that you go deeper down and look into what went wrong. You are finding it difficult to do so since the threads in your mind are going haywire? Unconsciously women end up messing up with men in their basic needs and requirements. Girls do not realize and end up making several mistakes like:

- Being "rather" insensitive to some very basic needs which your man might desire of you
- Try to occupy his entire life and give him no space!!!!
- "Control his life" in all aspects... (He would surely run a million miles from you)
- Talk negatively about his closest buddies... You sure have guts, don't you?

"Are you doing any of the above and not even realizing it! Well it doesn't matter anymore. You have got hold on the right e-book which can help you rework on these sensitive areas and be a winner of your man all over again. It's never too late. All it needs is just give this e-book a thorough read and there you will see you're ex right back in your life!

Client testimonials:

"I did not even realize that all the time I would keep criticizing my boyfriend's friends and colleagues. Initially he would keep quiet and just ignore it. I guess I overdid it and foolishly did not even realize it. It was just this

one day when he just blew up and walked out on me. It was only then when I realized that it could have been a reason. I surely did not know what to do, but then this e-book just came to be as a blessing in disguise and gave me the perfect guidelines, the most exemplary piece of advice. And now I am happily blushing in love again”

- Elizabeth Lake

“I never relied on e-books or any random website to give me advice on my life, forget love life. This was because all that I ever wanted to do was control everything around me. I was a control freak and did not even know when I invaded into my boyfriend’s life and tried to control him and take away all his space. That was the end of it! However, I guess my opinion changed with time, as do not know how my belief got changed when I read this e-book and started implementing the advice meted out by them in my life.

And Whoa Whoa.... It worked... Their advice was wonderful. I got my man back and now I am sure it will be a happily ever after story!”

- Betty Roberts

Men are important, and girls go mad in their attempts to please them. However, this e-book will make you realize that please look around and make good friends and a strong human network around you as well. Indulge in other activities, be busy, do things which you might be passionate about, cultivate hobbies, hone your skill set. Remember you have a life of your own as well. On the other hand it helps in making an attractive personality.

*The e-book throws light on the fact that boys sure get attracted to a girl who would be beauty with brains and a brilliant personality. Always keep that in mind!!*

Relationships are made in heaven is a part of fairytale books and in real life we cannot implement them! It is important that we need to cultivate these blossoming relationship. So how will the e-book help you do that, would be your natural reply. The book would be able to give you a detailed guideline to make yourself attractive and appealing for you ex to come back running to you!

Moreover, it is important that one has a planned approach of how to get the ex back. Confused is it?

Surely, another plausible reason to grab the copy of the e-book and start reading voraciously. It will help you plan each step such that all the actions and reactions can just be too good to be true!

- Are there any signals which show he is coming back
- Are your steps comprehensive and convincing
- Are you taking the right steps

- Have you done proper research in making your plan so that you can bump into him more often, or meet him
- Are you using the correct friends to get the message to him as to how you feel
- Is your planning correct to coincide in the places he visits all the time
- Are your goals all clear in your mind?

The actions and reactions could be many. But what is important is that are you doing the correct thing. This e-book will give you the accurate steps which will make you clear headed and your man will go madly in love with you!

"I was just so confused and my attempts were all going down the drain. I was giving up all the hope of getting my "Mr. Perfect" back into my life, until I laid my hands on this e-book. It just helped me make the perfect plan and there I was lying in the arms of the man I always wanted to spend the rest of my life with. Trust me it's a miracle of how it all happened. Moreover, it just happened all so quickly after I read the pointers in this e-book. Before that it was months and months, and I was tired at trying to rekindle the spark with my old flame.

- Mary Richard

People you so need to just go through this if you desperately want your ex back! I can vouch for the spark in your life to come back with a bang"

*There are some guidelines which hold good always in any relationship. Broken or not? This is where the e-book would throw some light in the secrets of any relationship*

Work on some strategies, tactics and specific techniques which might get him running back to you in jiffy. *Each one has a different story to tell. Your breaking up could have been either of you dumping him, a mutual break up, an abusive relationship, , either of you cheating on each other, reasons could be attributed to stress or due to the other circumstances. Well the reasons could be a billion.*

***Do not fret. SEDUCE HIM BACK will help you out!***

I would sound like a fool when I say this, but believe in the law of attraction and it would be all fall into place. Doesn't really sound convincing, correct?

"I believed in the law of attraction. However my belief was not that strong. This e-book worked like magic and made my faith so strong in the law of attraction that I got my love back so soon, that it was hard for me to believe. I just so feel that we all should read the e-book and get a grasp on the law of attraction. Soon along with the ex-love all the good things would come reeling in your life! "

- Louise Williams

Ok, so you broke up but there are certain things which you should never let it slip from your mind.

- ✓ *Force him or beg him to meet and talk to you*
- ✓ *Do not go around telling the entire world about the break up and other private issues and moments which you shared with your love*
- ✓ *Do not cheat and play around with his emotions*
- ✓ *Do not go on expressing you love profusely*
- ✓ *Go on a rebound relationship*

The list could go on... You would sure understand it totally after glancing through the e-book. However, the harm is done, so what? **Nothing is impossible. BE POSITIVE!**

The e-book will help you go through strategies ranging from cultivation on a hobby to motivating yourself a work to not getting depressed and being pro active to indulge in your passions to getting a fantastic makeover to many many more!

It's all about taking life in its stride and how to start a new life afresh and being strong. Only when one gets strong can they get their ex back. The e-book makes your realize that getting your love back is not all about drooling on him, and profusely expressing your sweet emotions or begging him to come back.

*It's more and much more... You will read and realize...*

"I became strong after reading the e-book. I went in for a makeover and my personality changed. I was inspired by the e-book to make a life for my own self. Surely, then I put the strategies in place and worked really hard to get my ex-back. He came back easily, and now loves values and respects me more for the person that I am. It is all because of this phenomenal book which I am so glad that I went through.

Honestly, I was not too keen to read it because I thought it was useless. However seeing my depressed and crazy state, my friend forced me into it. Now I am so grateful and thankful to her and the path which has been shown to me by this book. I recommend it thoroughly!”

- Ann Taylor
